

PROJECT FACT SHEET

Customer: Brookfield Multiplex

Project: Claremont Quarter

Project Profile:

Claremont Quarter will consist of 30,000sqm of retail shops over two levels. 79 residential apartments, 600sqm of commercial offices and a 1500 bay car park. The complex built in two stages includes a Coles Supermarket and a David Jones store.

Stage 1 commenced in May 2007 (Coles Supermarket and 50 speciality shops and 65 apartments was completed and opened to the public in March 2009. Stage 2 is due to open in 2011.

The project is being built on the old Claremont shopping centre site, Stage 1 progressed over 50% of the site whilst the remainder stayed open to the public.

Nilsen provided all electrical services downstream from the HV feed into the site. The new Coles Supermarket features the first “new style- family friendly Coles in WA.”

Connected to the past, transforming the future
