

PROJECT FACT SHEET

Customer: WA Football Commission Domain Stadium (Subiaco Oval)

Project: Domain Stadium Electrical Maintenance Contract

Project Profile: The Western Australian Football Commission has awarded Nilsen the electrical maintenance contract for its flagship and icon site Domain Stadium. The 43,000 seated Stadium formerly known as Subiaco Oval has a proud 102 year history of hosting premiere events. Domain Stadium is WA's home of football.

Domain Stadium has now joined Westfield Shopping Centres, Water Corporation WA, St John of God Health Care, BHP, RIO TINTO, SIMS Metal Group and Kings Park Botanic Gardens as a Nilsen TEGG serviced client.
