

PROJECT FACT SHEET

Customer: Cooper & Oxley

Project: Hollywood Hospital

Project Profile: Major upgrade works and construction of a new 130 bed ward, operating theatres, specialist medical centre, car park, new gastroenterology unit and upgrades to the day procedure unit and main corridors were completed by Nilsen in 2015.

Nilsen supplied and installed all LV supply, LV switchboards, UPS systems, security and fire systems, CCTV, MATV, Nurse Call and PA systems to the new and upgraded sections of the hospital including Cardiac Protected Areas and Body Protected Areas.

Nilsen were also contracted to upgrade the fire system for the hospital including fit out of the pump house and connection of the fire system.

The contract commenced in mid 2014 and is due to be completed early 2016.
